50 EDITABLE CALL-&-RESPONSES

by Angela Watson

Editable PowerPoint:

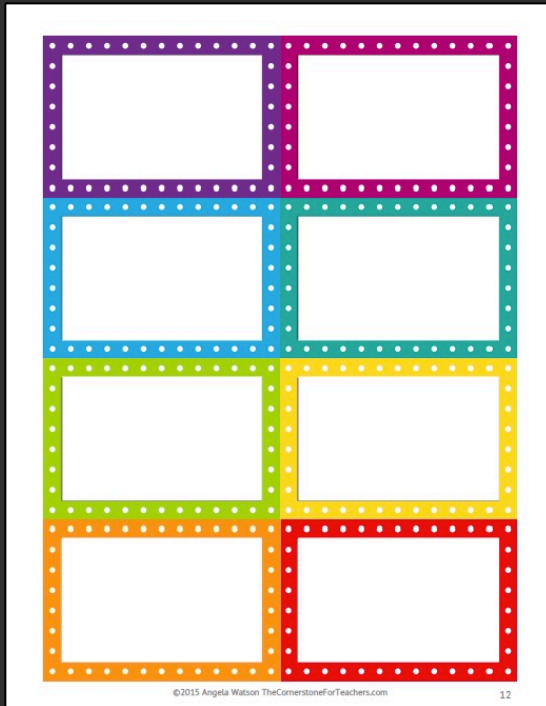

50 slides, each with a different call-and-response on it

PDF:

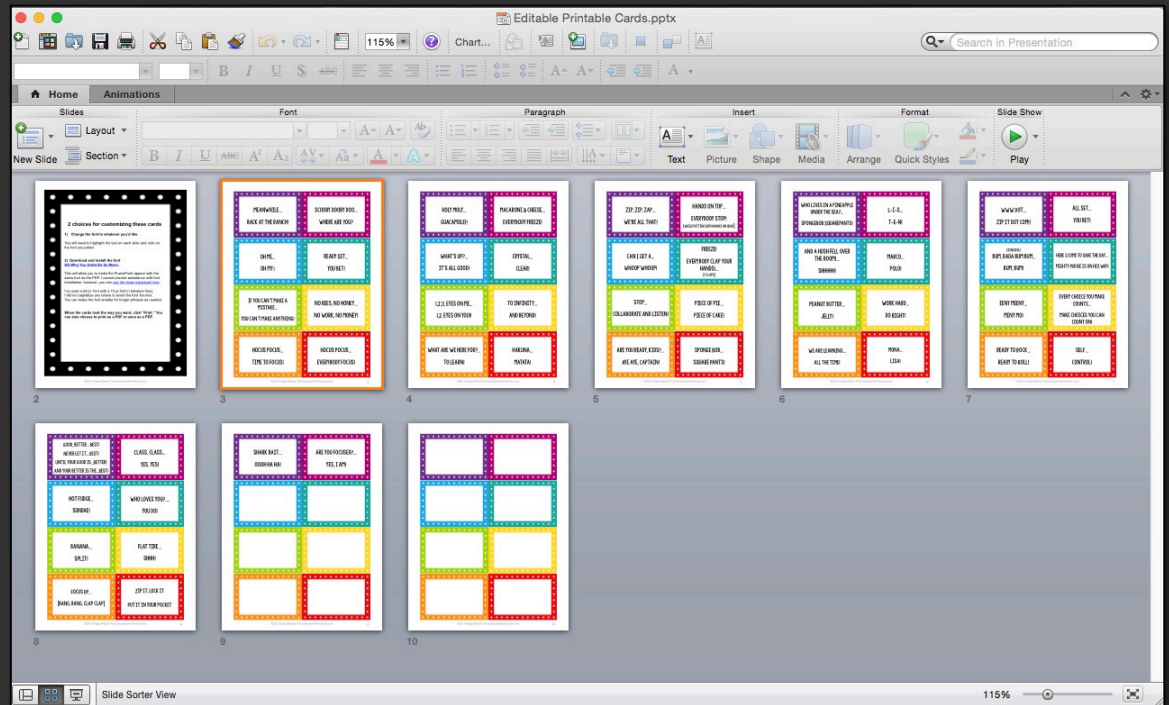

The same 50 call-and-response ideas are also included in a 7 page PDF.

Cut the cards apart and store them in a recipe box, or hole punch them and hang them on an "o" ring.

A blank page is included in the PDF: print it out and write in your own call-and-responses.

Or, use the editable PowerPoint presentation to type in the changes you want, then print the PowerPoint slides as a PDF.
